

Cathedral Organist and Director of Music 2018

St Paul's Cathedral, Dunedin, seeks expressions of interest for the part-time position of Cathedral Organist and Director of Music.

Music is central to the Cathedral's mission and spiritual life in the city. The Cathedral is located in the Octagon, the heart of the city adjacent to the Town Hall and only a few minutes' walk from the University. Dunedin is an exciting university city with unparalleled access to beaches, coast and mountains, much only a few minutes from the city centre.

We are seeking an organist with a strong Christian faith, and a high degree of energy and enterprise to lead and encourage the Cathedral's choral music, especially with young people. The position is available as a continuing part-time appointment (\$20, 000 p.a.). A willingness to encourage diverse musical styles is essential. A typical week with the Choir and regular Cathedral services usually requires about 16 hours per week and has usually been held on a part-time basis with incumbents supplementing their salary from other private work and employment.

Suitable candidates are invited to provide (via email) a CV, names and contact details for three referees, a digital video recording of a recital, given by the applicant, at the organ, and a similar recording of the applicant conducting a choir rehearsal.

Forward these, by Friday 25 May 2018, to the convenor of the Search Committee:

The Dean, The Very Revd. Dr Trevor James, dean@stpauls.net.nz
